

# CodableAI Brand Overview

CodableAI is a clean AI-focused brand identity held by Ember Software LLC. The name was reserved during internal research and development and did not proceed to public launch. No product, users, or liabilities are associated with the brand.

## Included Assets

- Primary domain: CodableAI.com
- Matching social handles: @codabelai (X and Instagram)
- No prior public launch
- No legacy users, data, or obligations

## Typical Use Alignment

- AI developer tooling
- AI coding education platforms
- AI agent frameworks
- Programmable AI infrastructure

## Transfer Process

- Escrow-based transaction
- Domain transfer via registrar push
- Social handle transfer coordinated upon completion
